WHAT IS R.I.P.P.E.D.? THE ONE STOP BODY SHOCK

R.I.P.P.E.D. combines Resistance, Interval, Power, Plyometrics, Endurance, core and a very important Diet program. Designed to help everybody meet their ultimate fitness goals in a super fun group exercise environment.

I was first introduced to R.I.P.P.E.D. in August of 2011. I faithfully began to workout with R.I.P.P.E.D. in November of that same year. And I've never looked back. I love the workout, music and most importantly, the results. I went from a size 12 to a size 6. R.I.P.P.E.D. has truly changed my life.

R.I.P.P.E.D. Has reinforced in me the importance of leading by example. And this, incorporating the "D" in R.I.P.P.E.D. Is vital. Its my privilege to instruct and lead others to a lifestyle of health and fitness. My class is positive and on fire. So I hope you will come join us for the greatest transformation you will ever experience.

WELCOME OUR NEW FITNESS INSTRUCTOR

Damian Rogers is our amazing new fitness instructor here at the Morenci Community Center. He was born in Show-Low, AZ but has lived in three different states and three different countries before finding his way to Morenci, Arizona. Growing up in a military family, he has traveled to over forty states and several countries around the world. This military upbringing instilled a high level of discipline, which translates into his one-on-one trainings and group fitness classes. Be ready to work hard as soon as his class starts! Weight lifting & bodybuilding have been the foundation of his training, but recently he has ventured into powerlifting, yoga, and other aspects of fitness. By combining all of these elements he has decided to open up his own group fitness class focusing on compound lifts, super setting technique, isolation work, and resistance, with something he likes to call "power-building". This class can range from beginners looking to start with proper lifting techniques & habits to advanced students who seek to combine specialized techniques & variables for improved results. Damian's certifications are in personal training and yoga but he is always pursuing new forms of education to develop his abilities as an instructor.

If you see Damian in the fitness center, make sure to say hello!
